will not be needed as of:

D	D	M	M	Y	Y
---	---	---	---	---	---

Please disconnect the supply (PLEASE TICK ONE):

TEMPORARILY

The meter will normally be removed, but the pipework between the water main and the Northern Ireland Water stopcock will be left intact. In certain circumstances, the water meter may not be removed. Should you wish to re-establish the connection, a reconnection fee is payable in advance. Details of the fee are published in our Scheme of Charges available at www.niwater.com. If for any reason we are unable to reconnect at the stopcock, the reconnection will be made at cost subject to a deposit of £50 payable in advance. We reserve the right to inspect the stopcock periodically to ensure that the supply is not being used.

PERMANENTLY

The pipework between the water main and the Northern Ireland Water stopcock, as well as the stopcock and meter assembly itself, will be removed. This may involve excavation work in the vicinity of the supply. Should you wish to re-establish the connection, you must apply for a new connection. Details of how to apply for a new connection are available at www.niwater.com/water.

SECTION 5: WASTEWATER CONNECTION

Wastewater is (PLEASE TICK ONE):

no wastewater discharge (e.g. supply is for animal drinking troughs only)
