

NEWRY & DISTRICT COUNCIL AREA

Northern Ireland Water Capital Works Presentation 2008/09

Projects under Construction or Programmed to Commence this Financial Year (April 2008 & March 2009)

	<u>Project Name</u>	<u>Description</u>	<u>Cost</u>	<u>Status</u>
1	Warrenpoint Wastewater Treatment Works	Upgrade of the existing treatment works in order to meet future regulatory discharge standards.	£2,665,000	Construction
2	Crossmaglen Wastewater Treatment Works	Upgrade of the existing treatment works in order to meet future regulatory discharge standards.	£1,745,000	Construction
3	Hilltown Wastewater Treatment Works	First phase of a project to upgrade the existing Wastewater Treatment.	£1,347,000	Sub Complete
4	Cullaville Wastewater Treatment Works	Replacement of existing wastewater treatment works with RBC process on existing site.	£880,000	Sub Complete
5	Charlotte Street/Newry Road Warrenpoint Proposed Sewer Improvements	The scheme involves the provision of sewerage upgrades at Charlotte street and Newry Road Warrenpoint to address out of sewer flooding.	£700,000	Construction
6	Rostrevor Sewerage Scheme	The scheme involves the construction of a new sewage pumping station on the site of the existing pumping station and remedial works to the existing foreshore sewer.	£559,000	Complete
7	Abbey Park Killeel Sewer Replacement	Upgrading 1700m of foul sewer to increase capacity and maintain standards of service.	£499,000	Sub Complete
8	Belleeks Wastewater Treatment Works	Improvements to existing wastewater treatment works to ensure it meets required discharge requirements.	£492,000	Maintenance
9	Newry Sewerage Networks Improvements	The third phase of upgrades and improvements to the Newry sewerage network as recommendations of a drainage area study.	£396,000	Construction
10	Newry Wastewater Treatment Works Aeration upgrade	Upgrade of aeration plant at Newry wastewater treatment works.	£368,000	Construction

Projects under Construction or Programmed to Commence this Financial Year (April 2008 & March 2009)

	<u>Project Name</u>	<u>Description</u>	<u>Cost</u>	<u>Status</u>
11	Newry Sewerage Networks Improvements	The second phase of upgrades and improvements to the Newry sewerage network as recommendations of a Drainage Area Study.	£334,000	Complete
12	Annalong Wastewater Treatment Works	Provision of fine screening on existing outfall as interim solution to achieve compliance.	£327,000	Maintenance
13	McShanes Road, Bessbrook Foul Sewer Extension	A 1300m gravity sewer extension to serve new development and permitting the abandonment of an existing Clougherevan sewage pumping station.	£267,000	Construction
14	Cambrook Sewage Pumping Station to Green Road	Provision of a new gravity sewer to allow for the abandonment of the Cambrook and Church View sewage pumping stations.	£259,000	Construction
15	Newry Sewerage Networks Improvements	The first phase of upgrades and improvements to the Newry sewerage network as recommendations of a Drainage Area Study.	£210,000	Complete
16	Carron Hill Supply Zone Management Plan	Construction of a new water pumping station at Carrickananny Road, Whitecross and pumping main to ensure a secure supply during periods of peak demand.	£168,000	Substantially Complete
17	Carrickmacstay Sewage Pumping Station Upgrade/Replacement	Upgrade of existing sewage pumping station.	£111,000	Sub Complete
18	Springfield Road Warrenpoint Sewage Pumping Station Replacement	Replacement of the existing Sewage Pumping Station on a new site.	£84,000	Construction
19	Dunaval Sewage Pumping Station Storm Tanks	Upgrading the existing sewage pumping station an the provision of additional emergency storage capacity.	£72,000	Construction
20	Spring Meadows/Riverfields Warrenpoint Foul Sewer Extension	The scheme involves the provision of 50m of 150mm diameter sewer extension.	£25,000	Substantially Complete.
21	Ashtree Hill Drumbanagher Watermain Extension	Provision of a 300m watermain extension to serve proposed and existing development.	£25,000	Maintenance

Projects under Construction or Programmed to Commence this Financial Year (April 2008 & March 2009)

	<u>Project Name</u>	<u>Description</u>	<u>Cost</u>	<u>Status</u>
22	Skerriff Road Cullyhanna Foul Sewer Extension	Provision of foul sewer extension to serve new development.	£16,000	Substantially Complete
23	Small Wastewater Treatment Works Priority Upgrades	Upgrade of various small wastewater treatment works in the Newry and Mourne area to ensure appropriate treatment.	N/A	Design
24	Lisburn to R.O.I. Border Trunk Road Improvements	Alteration, replacement and realignment of watermains and sewers undertaken in conjunction with a major Roads Service contract.	N/A	Design Complete

Approve expenditure total: £11,549,000

Projects Scheduled to Start in the Next Two Financial Years (April 2009 & March 2011)

	<u>Project Name</u>	<u>Description</u>	<u>Cost</u>	<u>Status</u>
25	Harmony Heights, Newry Foul Sewer Extension	Provision of a new foul sewer to allow the abandonment of the existing pumping station.	£127,000	Approved
26	Sheetrim Road Cullyhanna Foul Sewer Extension	The provision of a 170m foul sewer extension to serve proposed development.	£64,000	Approved
27	Mourne Coast Zone Watermain Improvements	Water Mains Rehabilitation Programme - Construction phase of detailed zone study.	N/A	Feasibility
28	Abbey Grammar School Storm Sewer Extension	Upgrade of storm sewerage system to serve new school development.	N/A	Design
29	Newcastle & Council Roads, Killeel Storm Sewer Upgrade	Provision of a storm sewer extension at Newcastle Road & Council Road to serve housing developments.	N/A	Design
30	Ballymartin, Blackrock, Glasdrumman and Dunmore Sewerage Scheme	Rationalisation of wastewater treatment works Ballymartin, Blackrock, Glasdrumman and Dunmore.	N/A	Feasibility
31	Abbey Park, Killeel Storm Sewer Extension	Approximately 200m of 300mm diameter storm sewer at Scrogg Road to serve new development.	N/A	Design Complete
32	Kilbroney Park Wastewater Treatment Works Gravity Sewer Alternative	Provision of a foul sewer system to allow the abandonment of the Kilbroney Park wastewater treatment works.	N/A	Feasibility
33	Bessbrook Drainage Area Plan	Civil works arising out of drainage area study.	N/A	Feasibility
34	Newry Road Sewage Pumping Station, Warrenpoint Upgrade	Replacement of the existing sewage pumping station in order to minimise instances of flooding and cater for future development	N/A	Feasibility
35	Dunmore Sewerage - EC Compliance	Provision of gravity foul sewer, pumping station and pumping main to serve Glasdrumman cottages, Annalong.	N/A	Design
36	Rostrevor Sewers Upgrading - Horners Lane Improvements	Proposed sewer improvements at Horners Lane, Rostrevor.	N/A	Tender
37	Crossmaglen Drainage Area Plan	Civil works arising from drainage area study	N/A	Feasibility

Projects Scheduled to Start in the Next Two Financial Years (April 2009 & March 2011)

	<u>Project Name</u>	<u>Description</u>	<u>Cost</u>	<u>Status</u>
38	Ballintemple Zone Watermain Improvements	Water Mains Rehabilitation Programme - Construction phase of detailed zone study	N/A	Feasibility
39	Meigh Wastewater Treatment Works	Replacement of or improvements to existing wastewater treatment works.	N/A	Feasibility
40	Acton Street, Acton Foul Sewer Extension	The scheme comprises the laying 255m of 150mm diameter PVC Foul Sewer Extension to serve 18No proposed dwellings.	N/A	Tender
41	Main Avenue Derrybeg Storm Sewer Upgrade	Upgrade of a 155m section of storm sewer to maintain standards of service and facilitate proposed development.	N/A	Feasibility
42	Upper Edward Street Newry Sewer Replacement	Replacement of existing storm and foul sewers in order to maintain standards of service.	N/A	Tender
43	Tullyframe Sevice.Reservoir.Access road Reconstruction	Reconstruction of access road at Tullyframe Service Reservoir.	N/A	Design Complete
44	Lough Ross Zone Watermain Improvements	Water Mains Rehabilitation Programme - Construction phase of detailed zone study.	N/A	Feasibility
45	Annalong Wastewater Treatment Works	Construction of a new wastewater treatment works on the existing site.	N/A	Feasibility
46	Drumsesk Road & Pinewood Sewage Pumping Station Upgrade	Upgrading of Drumsesk Road and Pinewood sewage pumping stations.	N/A	Feasibility
47	Camlough Road Newry Storm and Foul Sewer	Replacement of existing foul and storm sewers in order to maintain standards of service.	N/A	Design
48	Osbourne Promenade Warrenpoint Foul Sewer Upgrade	Upgrade of a 100m section of foul sewer in order to maintain standards of service.	N/A	Feasibility
49	Newry Road Mayobridge Storm Foul Sewer Extension	Provision of 178m of 150mm diameter foul and 178m of 200mm diameter storm sewer extensions to serve new development.	N/A	Design
50	Bessbrook/Newry Wastewater Treatment Works	Investigation of the wastewater treatment options for the Bessbrook and Newry catchments.	N/A	Feasibility

Projects Scheduled to Start in the Next Two Financial Years (April 2009 & March 2011)

	<u>Project Name</u>	<u>Description</u>	<u>Cost</u>	<u>Status</u>
51	Bartley Park Kilkeel Sewer Replacements	Replacement of existing foul sewers to increase capacity in the system.	N/A	Design Complete
52	Glen Hill Newry Foul Sewer Extension	490m of 200mm diameter foul sewer extension to serve 135 proposed properties.	N/A	Design
53	Warrenpoint Drainage Area Plan	Civil Works arising from drainage area study.	N/A	Feasibility
54	Windmill Road Sewage Pumping Station.	Upgrade of existing sewage pumping station.	N/A	Feasibility
55	Newry Road, Camlough Foul Sewer Extension	Provision of a 130m of 200mm diameter foul sewer to serve existing development.	N/A	Design
56	Lurganare Wastewater Treatment Works	Upgrade of existing wastewater treatment works.	N/A	Feasibility
57	Rostrevor Road, Hilltown Storm Sewer Extension	392m of 375mm diameter concrete storm sewer.	N/A	Design
58	Crieve Road, Newry Foul & Storm Sewer Extensions	Provision of storm and foul sewer extensions to serve new development.	N/A	Feasibility
59	Chancellors Road, Newry Foul Sewage Pumping Main Extension	Provision of a 60m foul sewer extension to serve new development.	N/A	Feasibility
60	Ballydougan to Newry Main Link Reinforcement	Provision of a 20ML/Day pumping main linking Ballydougan service reservoir to Newry in order to reinforce the supply links between these zones.	N/A	Feasibility
61	Monaghan Street Sewerage System Investigation	A feasibility study is to be carried out on the existing system.	N/A	Feasibility
62	Carrickdesland, Burren Foul Sewer Extension	450m of foul sewer extension to serve an existing development on Ballydesland Road.	N/A	Design Complete
63	School Road Killeen Foul Sewer Extension	Provision of 45m of 150mm diameter foul sewer extension to service proposed development.	N/A	Design
