RELEASE DATE

10 June 2026

SUBJECT

Request for water hardness data for the areas supplied by Northern Ireland Water.

RESPONSE

The requested information is publicly available through OpenDataNI, in NI Water's published drinking water quality datasets. These include customer tap and authorised supply point results, together with water hardness information by water supply zone.

NI Water considers that Regulation 6(1)(b) of the Environmental Information Regulations 2004 applies, as the information is already publicly available and easily accessible in another form or format.

The information can be accessed here:
