**SUBJECT**

Wastewater emissions to the River Foyle

**REQUEST**

Since the start of the year how many cases of untreated sewage dischargement, leaking into the Foyle from NI Water infrastructure has there been?

**RESPONSE**

Regulation 6(1)(b) of the EIR states that "*Where an applicant requests that the information be made available in a particular form or format, a public authority shall make it so available, unless the information is already publicly available and easily accessible in another form or format.*"

Total predicted wastewater spills into the River Foyle in Derry from NI Water Storm Overflows can be obtained by zooming into [NI Water's Storm Overflow map](#), obtaining the alphanumeric CARIDs from the relevant assets and looking these up our [modelled spills spreadsheet](#), which includes the name of the receiving waterbody.
