- 25.7** For the avoidance of doubt, unless expressly noted in these General Terms or the Specification, the Client does not provide any indemnification of the Contractor or any other person.
- 25.8** The Contractor shall effect and maintain with a reputable company a policy or policies of insurance providing an adequate level of cover in respect of all risks which may be incurred by the Contractor, arising out of the Contractor's performance of its obligations under the Contract, including death or personal injury, loss or corruption of personal data (including without limitation a personal data breach), loss of or damage to property or any other loss. Such insurance shall be maintained for the duration of the Contract Period (and, if required by the Client at any time during the Contract Period, for a minimum of 6 (six) years following the

- 25.12** The provisions of any insurance policy or the amount of cover shall not relieve the Contractor of any liabilities under the Contract. It shall be the responsibility of the Contractor to determine the amount of insurance cover that will be adequate (in addition to the Contractor's Required Insurances) to enable the Contractor to satisfy any liability referred to in this clause 25.

For the avoidance of doubt, the Client may terminate the Contract in reliance on this clause, independently of following the Protocol, and if the Client follows the Protocol, this shall not limit, prejudice or impact upon its ability to terminate the Contract pursuant to any other right or provision of this Contract. The issue of the First Written Warning under the Protocol shall be sufficient written notice for the purpose of this clause 26.1; or

- 26.8** The Contractor shall not suspend the supply of the Deliverables unless the Contractor is entitled to terminate the Contract under clause 26.7 for failure to pay undisputed sums of money. 27.0 CONSEQUENCES OF TERMINATION/EXPIRY

27.1 Upon termination or expiry of this Contract for any reason, the Contractor will:

- (a) give all reasonable assistance (other than financial assistance) to the incoming provider of the Deliverables;
- (b) immediately return all rightly requested documents, information and data including, but not limited to, all Confidential Information in its possession or in the possession or under the control of its Staff which was obtained or produced in the course of providing the Deliverables;
- (c) immediately deliver to the Client all Property (including materials, documents, information and access keys) provided to the Contractor under this Contract. Such property shall be handed back in good working order (however allowance shall be made for reasonable wear and tear at the Client's sole discretion);
- (d) promptly provide all information concerning the provision of the Deliverables which may reasonably be requested by the Client for the purposes of adequately understanding the manner in which the Deliverables have been provided or for the purpose of allowing the Client or the Replacement Contractor to conduct due diligence; and
- (e) assist and co-operate with the Client to ensure an orderly transition of the provision of the Deliverables to the Client or a Replacement Contractor and/or the completion of any work in progress in accordance with clause 29.

27.2 If the Contractor fails to comply with clause 27.1(b), the Client may recover possession thereof and the Contractor grants a licence to the Client or its appointed agents to enter (for the purposes of such recovery) any premises of the Contractor or its permitted suppliers or sub-contractors where any such items may be held.

27.3 Where the end of the Contract Period arises due to the Contractor's Default, the Contractor shall provide all assistance under clauses 27.1(b) and 27.1(d) free of charge. Otherwise, the Client shall pay the Contractor's reasonable costs of providing the assistance and the Contractor shall take all reasonable steps to mitigate such costs.

27.4 The Client may invoke any agreed Transfer Plan in a reasonable period of time prior to expiry of the Contract Period or any notice of termination of the Contract, or immediately in the case of immediate termination.

27.5 Where the Client terminates the Contract and then makes other arrangements for the supply of goods and/or services the same as (or equivalent to) the Deliverables, the Client may recover from the Contractor the cost reasonably incurred of making those other arrangements and any additional expenditure incurred by the Client throughout the remainder of the Contract Period. The Client shall take all reasonable steps to mitigate such additional expenditure. Where the Contract is terminated, no further payments shall be payable by the Client to the Contractor (for Deliverables supplied by the Contractor prior to termination and in accordance with the Contract but where the payment has yet to be made by the Client), until the Client has established the final cost of making the other arrangements envisaged under this clause.

27.6 Where the Client terminates the Contract under clause 26.10 (Break clause), the Client shall indemnify the Contractor against any commitments, liabilities or expenditure which represent an unavoidable direct loss to the Contractor by reason of the termination of the Contract, subject to clause 27.7 and provided that the Contractor takes all reasonable steps to mitigate such loss. Where the Contractor holds insurance, it shall be required to provide evidence, to the Client's reasonable satisfaction, that it has, in good faith, attempted to recover such losses under its applicable insurance policies before attempting to rely on the indemnification specified in this

clause and the Client shall only indemnify the Contractor for those unavoidable direct costs that are not covered by the insurance available. If relying on this clause, the Contractor shall (in addition to the other evidence required by this clause) submit a fully itemised and costed list of unavoidable direct loss which it is seeking to recover from the Client, with supporting evidence, of losses reasonably and actually incurred by the Contractor as a result of termination under clause 26.10 (Break clause).

27.7 The Client shall not be liable to pay any sum under clause 27.6 which:

- (b) when added to any sums paid or due to the Contractor under this Contract, exceeds the total sum that would have been payable to the Contractor if this Contract had not been terminated prior to the expiry of the Contract Period; or

- (b) termination or expiry of this Contract shall not affect the continuing rights, remedies or obligations of the Client or the Contractor under the following clauses: 1, 5, 8, 9, 12, 15, 16, 17, 18, 19, 20, 21, 24, 25, 27 to 30 (inclusive), 45, 46, 49 and 52 and any other provision of the Contract which, expressly or by implication, is intended to come into or continue in force on or after termination or expiry of the Contract.

28.0 INEFFECTIVENESS

In the event that the Contract is declared "ineffective" pursuant to Regulation 98(2)(a) of the Public Contracts Regulations 2015 or Regulation 114 of the Utilities Contracts Regulations 2016, the Client shall have no liability to the Contractor other than in respect of Deliverables provided prior to the date on which such "ineffectiveness" order takes effect, which cost shall be assessed in accordance with the Contract Price. Under no circumstances shall the Contractor be entitled to any payment or compensation for loss of profit for Deliverables not provided consequent on such declaration of "ineffectiveness" or for loss of opportunity or reputation or breach of statutory duty or otherwise or any other remedy whatsoever as a result or in respect of any such declaration of "ineffectiveness". The Client and the Contractor acknowledge and agree that it is intended that the provisions of this clause and clauses 12 and 49 shall apply as a binding agreement between them which shall, to the extent permissible by Law, survive and operate independently of the Contract notwithstanding any declaration of ineffectiveness of the Contract.

29.0 TRANSFER OF OPERATIONS TO SUCCESSOR CONTRACTOR

29.1 The Contractor shall, if and to the extent requested by the Client, provide to the Client from time to time during, and up to twelve Months after expiry of, the Contract Period, such assistance (other than financial assistance) data and information as the Client may reasonably require for the purpose of, or in relation to, the future provision of the Deliverables (or replacement goods and/or services) by the Client or any Replacement Contractor and in particular for the purpose of including or making reference to such information in any invitation to tender or ancillary documents in respect of the provision of the Deliverables (or replacement goods and/or services) and the migration of service provision.

- 29.2** The Contractor warrants that any information made available in compliance with clause 29.1 shall, to the best of its knowledge and belief, having made due and diligent enquiry, be materially true and accurate.
- 29.3** The Contractor shall take no action during or after the Contract Period which is calculated or intended, directly or indirectly, to prejudice or frustrate or make more difficult the transfer as a going concern of the Deliverables (or replacement goods and/or services) at the end of the Contract Period to the Replacement Contractor or to the Client, as the case may be.
- 29.4** The Contractor agrees to indemnify and keep the Client fully indemnified in respect of any claims, costs, demands, and liabilities arising from the provision of incorrect information provided to the Client by the Contractor under clause 29.1, to the extent that any such claim, cost, demand or liability directly and unavoidably arises from the use of the incorrect information in a manner that can reasonably be assumed to be proper in bidding for or providing goods and/or services similar to the Deliverables.
- 29.5** The Contractor shall not replace any parts or components of the Equipment with parts or components that are of lower quality or which are unsuitable for use in their designed purpose either by the Client or a Replacement Contractor, prior to the expiry date of this Contract or any date of termination hereof.

30.0 DISPUTE RESOLUTION

- 30.1** The Parties shall attempt in good faith to negotiate a settlement to any dispute between them arising out of or in connection with the Contract within 30 days of either Party notifying the other that the dispute should be settled in accordance with this clause 30. Such efforts shall initially involve the escalation of the dispute to a Senior Manager of the Client and a Company Director (or equivalent or higher) of the Contractor.
- 30.2** Nothing in this dispute resolution procedure shall prevent the Parties from seeking from any court of the competent jurisdiction an interim order restraining the other Party from doing any act or compelling the other party to do any act.
- 30.3** If the dispute cannot be resolved by the Parties pursuant to clause 30.1, the dispute shall be referred to mediation pursuant to the procedure set out in clause 30.5 unless: (a) the Client considers that the dispute is not suitable for resolution by mediation; or (b) the Contractor does not agree to mediation.
- 30.4** The performance of the Contract shall not be suspended, cease or be delayed by the reference of a dispute to any dispute resolution procedure (unless required by the Client, which it shall at all times retain the right to do) and the Contractor (or employee, agent, supplier or sub-contractor) shall comply fully with the requirements of the Contract at all times.
- 30.5** The procedure for mediation and consequential provisions relating to mediation are as follows:
- (a) a neutral adviser or mediator (the “**Mediator**”) shall be chosen by agreement between the Parties or, if they are unable to agree upon a Mediator within 14 days after a request by one Party to the other or if the Mediator agreed upon is unable or unwilling to act, either Party shall within 14 days from the date of the proposal to appoint a Mediator or within 14 days of notice to either Party that it is unable or unwilling to act, apply to the President of the Law Society of Northern Ireland (“**LSNI**”) to appoint a Mediator;
 - (b) the Parties shall within 14 days of the appointment of the Mediator meet with them in order to agree a programme for the exchange of all relevant information and the structure to be adopted for negotiations to be held. If considered appropriate, the Parties may at any stage seek assistance from LSNI to provide guidance on a suitable procedure;

- (c) unless otherwise agreed, all negotiations connected with the dispute and any settlement agreement relating to it shall be conducted in confidence and without prejudice to the rights of the Parties in any future proceedings;
- (d) if the Parties reach agreement on the resolution of the dispute, the agreement shall be reduced to writing and shall be binding on the Parties once it is signed by their duly authorised representatives;
- (e) failing agreement, either of the Parties may invite the Mediator to provide a non-binding but informative opinion in writing. Such an opinion shall be provided on a without prejudice basis and shall not be used in evidence in any proceedings relating to the Contract without the prior written consent of both Parties; and
- (f) if the Parties fail to reach agreement in the structured negotiations within 30 days of the Mediator being appointed, or such longer period as may be agreed by the Parties, then any dispute or difference between them may be referred to the Courts unless the dispute is referred to arbitration pursuant to the procedures set out in clause 30.6.

30.6 Subject to clause 30.2, the Parties shall not institute court proceedings until the procedures set out in clauses 30.3 and 30.5 where relevant have been completed save that:

- (a) the Client may at any time before court proceedings are commenced, serve a notice on the Contractor requiring the dispute to be referred to and resolved by arbitration in accordance with the provisions of clause 30.7;
- (b) if the Contractor intends to commence court proceedings, it shall serve written notice on the Client of its intentions and the Client shall have 21 days following receipt of such notice to serve a reply on the Contractor requiring the dispute to be referred to and resolved by arbitration in accordance with the provisions of clause 30.7; and
- (c) the Contractor may request, by notice in writing to the Client, that any dispute be referred and resolved by arbitration in accordance with the provisions of clause 30.7, to which the Client may in its discretion consent as it sees fit.

30.7 In the event that any arbitration proceedings are commenced pursuant to clause 30.6, the following provisions shall apply:

- (a) the arbitration shall be governed by the provisions of the Arbitration Act 1996;
- (b) the Client shall give a written notice of arbitration to the Contractor ("**the Arbitration Notice**"):
 - i. stating that the dispute is referred to arbitration; and
 - ii. providing details of the issues to be resolved;
- (c) the London Court of International Arbitration procedural rules in force at the date that the dispute was referred to arbitration in accordance with clause 30.7(b) shall be applied and are deemed to be incorporated by reference to this Contract and the decision of the arbitrator shall be binding on the Parties in the absence of any material failure to comply with such rules;
- (d) the tribunal shall consist of a sole arbitrator to be agreed by the Parties;
- (e) if the Parties fail to agree the appointment of the arbitrator within 10 (ten) days of the Arbitration Notice being issued by the Client under clause 30.7(b) or if the person appointed is unable or unwilling to act, the arbitrator shall be appointed by the Law Society of Northern Ireland;
- (f) the arbitration proceedings shall take place in Belfast and in the English language; and
- (g) the arbitration proceedings shall be governed by, and interpretations made in accordance with, Northern Ireland Law.

31.0 VARIATION

- 31.1** Unless specifically provided otherwise, the Contractor shall not be entitled to vary the Contract except as directed by the Client.
- 31.2** Subject at all times to the provisions of clause 32, the Client shall be entitled to request a variation to the Specification or the Contract (hereinafter called a “**Variation**”). A Variation to the General Terms may be made in writing by mutual agreement of the Parties. A Variation to the Specification shall be dealt with in accordance with the procedure described in the remainder of this clause.
- 31.3** The Client shall be entitled to request a Variation by notifying the Contractor in writing of the Variation by means of a Variation to Contract Form (Annex 1) and the Client shall provide the Contractor with sufficient information to assess the extent of the Variation and consider whether any change to the Contract Price is required in order to implement the Variation.
- 31.4** In the event that a Variation does require an amendment to the Contract Price, such amendment to the Contract Price shall be calculated by the Client, being an amount which properly and fairly reflects the nature and extent of the Variation taking account of all relevant circumstances and shall be agreed in writing with the Contractor. In the event that the Parties fail to agree an amendment to the Contract Price for the Variation, the dispute shall be resolved under the Dispute Resolution Procedure under clause 30.
- 31.5** Following a request from either Party under clause 31.2 or 31.3, the Contractor shall, on request from the Client, provide the Client with reasonable assistance and information (without cost) to assist the Client in assessing the scope, cost and impact of the proposed Variation.
- 31.6** The Client shall specify a reasonable time limit, having regard to the nature of the Variation, within which the Contractor shall respond and confirm whether it accepts the request for a Variation and it shall confirm the same in writing. If the Contractor accepts the Variation, the Contractor shall perform such Variation within the specified time scale and be bound by the Contract so far as it is applicable, as though the Variation was originally stated in the Contract.
- 31.7** In the event that the Contractor reasonably believes that a Variation would:
- (a) materially and adversely affect the risks to the health and safety of any person; and/or
 - (b) require the Deliverables to be performed in a way that infringes any Law; and/or
 - (c) be technically impossible to implement,
- the Contractor shall notify the Client in writing immediately which of the above reasons for being unable to accept the Variation applies. Within 10 Working Days of receipt of such notification, the Client shall inform the Contractor that, at the Client's sole discretion, it shall:
- i. allow the Contractor to fulfil its obligations under the Contract without being required to implement the Variation; or
 - ii. attempt to agree a resolution to the matter with the Contractor if the Contractor has already delivered all or part of the Deliverables or where the Contractor can show evidence of substantial work being carried out to fulfil the requirements of the Specification; or
 - iii. terminate the Contract with immediate effect unless the Parties agree an alternative to the proposed Variation within 10 Working Days of the Client notifying the Contractor of this intention (during which the parties shall act reasonably).
- 31.8** Until and/or unless a change to the Contract Price is agreed by the Client pursuant to clause 31 (Variation) the Contractor shall continue to supply the Deliverables in accordance with its existing obligations.

32.0 CHANGE IN LAW

32.1 The Contractor shall neither be relieved of its obligations to provide the Deliverables in accordance with the provisions of the Contract nor be entitled to an increase in the Contract Price as the result of:

- (a) a General Change in Law; or
- (b) a Specific Change in Law where the effect of that Specific Change in Law on the Deliverables is known at the Commencement Date.

32.2 If a Specific Change in Law occurs during the Contract Period (other than those referred to in clause 32.1), the Contractor shall notify the Client of the likely effects of that change, including:

- (a) whether any modification is required to the Deliverables, the Contract Price or the Contract; and
- (b) whether any relief from compliance with the Contractor's obligations is required, including any obligation to achieve any milestones or to meet any service level requirements at any time.

32.3 Any increase or decrease in the Contract Price or relief from the Contractor's obligations agreed by the Parties pursuant to this clause shall be implemented by way of a fair and reasonable adjustment to be agreed between the Parties.

32.4 As soon as practicable after any notification in accordance with clause 32.2 the Parties shall discuss and agree the matters referred to in that clause and any ways in which the Contractor can mitigate the effect of the Specific Change in Law, including:

- (a) providing evidence that the Contractor has minimised any increase in costs or maximised any reduction in costs, including in respect of the costs of its sub-contractors;
- (b) demonstrating that a foreseeable Specific Change in Law had been taken into account by the Contractor before it occurred;
- (c) giving evidence as to how the Specific Change in Law has affected the cost of providing the Deliverables; and
- (d) demonstrating that any expenditure that has been avoided has been taken into account in amending the Contract Price.

33.0 AGENCY, PARTNERSHIP ETC.

This Contract will not constitute or imply any partnership, joint venture, agency, fiduciary relationship or other relationship between the Parties other than the contractual relationship expressly provided for in this Contract. Neither Party will have, nor represent that it has, any authority to make any commitments on the other Party's behalf.

34.0 ASSIGNMENT & SUB-CONTRACTING

34.1 The Contractor shall not without prior Approval assign, sub-contract, novate or in any way dispose of the benefit and/or the burden of this Contract or any part thereof. The Client may, in the granting of Approval, provide conditions relating to such assignment, sub-contract, novation or disposal (including, without limitation, requiring that the proposed sub-contractor would have complied with any mandatory requirements for the Contractor as specified in the Procurement Documents) with which the Contractor shall be responsible for compliance. The Contractor shall be responsible for the acts and omissions of its sub-contractors as though those acts and omissions were its own.

34.2 Where the Contractor enters into a sub-contract for the purpose of performing its obligations under this Contract, the Contractor shall:

- (a) ensure that a provision is included in such sub-contract which requires payment to be made of all sums due by the Contractor to the sub-contractor within a specified period not exceeding 30 days from the receipt of a valid invoice;
 - (b) ensure that equally favourable payment terms to those which the Client provides for the Contractor are passed on by the Contractor to sub-contractors and from those sub-contractors to their sub-contractors (where related to this Contract).
- 34.3** Where the Client Approved the placing of sub-contracts, copies of each sub-contract will, at the request of the Client, be sent by the Contractor to the Client as soon as is reasonably practicable.
- 34.4** The Client may assign, novate, or otherwise dispose of its rights and obligations under this Contract without the consent of the Contractor provided that such assignment, novation or disposal will not increase the burden of the Contractor's obligations under this Contract.
- 34.5** Any change in the legal status of the Client such that it ceases to be a body governed by public law shall not affect the validity of this Contract. In such circumstances, this Contract shall bind and inure to the benefit of any successor body to the Client.
- 34.6** If the rights and obligations of the Client under this Contract are assigned, novated or otherwise disposed of to a body which is not a Utility or if there is a change in the legal status of the Client such that it ceases to be a body governed by public law (in the remainder of this clause such a body being referred to as the "**Transferee**"):
 - (a) the rights of termination of the Client in clause 26 (Termination of Contract) shall be available to the Contractor in the event of respectively, the bankruptcy or insolvency, or Default of the Transferee; and
 - (b) the Transferee shall only be able to assign, novate or otherwise dispose of its rights and obligations under this Contract or any part thereof with the prior consent in writing of the Contractor.
- 34.7** The Client may disclose to any Transferee any Confidential Information of the Contractor which relates to the performance of the Contractor's obligations under this Contract. In such circumstances, the Client shall authorise the Transferee to use such Confidential Information only for purposes relating to the performance of the Contractor's obligations under this Contract and for no other purpose and shall take all reasonable steps to ensure that the Transferee gives a confidentiality undertaking in relation to such Confidential Information.
- 34.8** Notwithstanding clause 34.1, the Contractor may assign to a third party ("**the Assignee**") the right to receive payment of the Charges or Contract Price or any part thereof due to the Contractor under this Contract (including any interest which the Client incurs under clause 26.8). Any assignment under this clause 34.8 shall be subject to:
 - (a) total reduction of any sums in respect of which the Client may exercise its right of recovery under clause 8 (Recovery of Sums Due); and
 - (b) all related rights of the Client under the Contract in relation to the recovery of sums due but unpaid.
- 34.9** In the event that the Contractor assigns the right to receive the Charges or Contract Price under clause 34.8, the Contractor or the Assignee shall notify the Client in writing of the assignment and the date upon which the assignment becomes effective.
- 34.10** The Contractor shall ensure that the Assignee notifies the Client of the Assignee's contact information and bank account details to which the Client shall make payment.

- 34.11** The provisions of clause 7 (Payment) shall continue to apply in all other respects after the assignment and shall not be amended without Approval.

35.0 THE CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

A person who is not a Party to the Contract will have no right to enforce any of its provisions which, expressly or by implication, confer a benefit on that person, without the prior written agreement of both Parties.

36.0 DISCRIMINATION

- 2.5** The Contractor shall notify the Client as soon as is practicable if it develops new or improved products during the Contract Period which meet and exceed (or meet for a lower cost) the requirements of the Specification. Provided that written consent of both Parties is obtained, the new or improved products may be used in substitution for the Goods under the Contract and, in such circumstances, an additional fee (if applicable) shall be agreed between the Parties prior to the substitution of the new or improved products. For the avoidance of doubt, nothing

in this Contract shall oblige the Client to take or accept a substitute product in place of the Goods.

- 2.6** If any Goods provided to the Client were procured or obtained by the Contractor from third parties, then any guarantees, warranties, benefits or indemnities which the Contract holds from such third parties in respect of those Goods will be held on trust for the Client.
- 2.7** The Client or its authorised representatives may inspect or test the Goods (either complete or in the process of manufacture) during normal business hours on reasonable notice at the Contractor's premises (and the premises of the Contractor's sub-contractors) and the Contractor shall provide (and procure the provision by its sub-contractors of) all reasonable assistance in relation to any such inspection or test, free of charge. If the Client elects not to accept such over-delivered Goods it shall give notice in writing to the Contractor to remove them within 5 Working Days and to refund to the Client any expenses incurred by it as a result of such over-delivery (including but not limited to the costs of moving and storing the Goods), failing which the Client may dispose of such Goods and charge the Contractor for the costs of such disposal. The risk in any over-delivered Goods shall remain with the Contractor unless they are accepted by the Client.

- 8.2** For the avoidance of doubt, the Client will be deemed to have accepted the Goods if it expressly states the same in writing or fails to reject the Goods in accordance with this section 8.
- 8.3** The issue by the Client of a receipt note for the Goods shall not constitute any acknowledgement of the condition, quantity or nature of those Goods, or the Client's acceptance of them.
- 8.4** Any Goods rejected or returned by the Client as described in this section 8 shall be returned to the Contractor at the Contractor's risk and expense.

The Client may, in its sole discretion, uphold the complaint and take further action in accordance with this section 10.

10.5 If the Contractor fails to supply any of the Deliverables in accordance with the provisions of this Contract and such failure is capable of remedy, then the Client shall instruct the Contractor to remedy the failure and the Contractor shall at its own cost and expense remedy such failure (and any damage resulting from such failure) within 10 Working Days or such other period of time as the Client may direct.
