

# Application for Inspection of a Building Over or Near a Public Sewer

This form should be used when your construction work is at a suitable stage to request an inspection, giving a minimum of 10 days notice prior to the reinstatement being completed.

**Please note:**

- You should only apply for an inspection if you already have an authorised Building Over / Near Agreement and have completed the works ready for inspection.
- Any excavation and structural protection to the public sewer must not be backfilled or covered until inspected by NIW. If the excavation has been backfilled, you must excavate the locations of the structural protection prior to the agreed inspection date.
- The Agreement reference MUST be included below.
