# Application to Erect a Building Over or Near a Public Sewer

This form should be used if having considered all the alternatives the only option appears to be to build over or near the public sewer and the sewer in question is not a critical sewer.

**Please note that permission to build over a public sewer will NOT be granted for a new / proposed building.**

**It is an offence under Article 236 of the Water and Sewerage Services (Northern Ireland) Order 2006 (as amended Water and Sewerage Services Act (Northern Ireland) 2016), to realign, build over or near watermains, sewers, pipes and associated works owned and maintained by NI Water unless with the prior consent by NI Water.**

**Failure to complete all mandatory sections may result in the delay / return of your application.**

**Please refer to our guidance notes before completing your application.**
