Please list drawings provided and any other supporting documents

* Please Include

As constructed drawings, if the drainage has not been laid in accordance with the approved drainage layout

A copy of a recent relevant CCTV survey

Please note that on submitting this application you are confirming that the sewer installation works are substantially complete, including construction of all sewers and manholes etc. in keeping with the NI Water approved drainage layout, and where line and level of the development roads are established, but the development drainage system is not yet eligible for an application for a Preliminary Certificate of Completion (there is less than 50% occupancy).
