

## SEWER DETECTIVES – Someone in your area has been flushing the wrong things down the loo!

**NI Water wants this to stop and we need your help!**

Put on your detective hat and find out what gets flushed down the loo in your house.

1. Ask the people at home what they flush down the loo:

- toilet roll                      Yes                       No
- kitchen roll                      Yes                       No
- cotton buds                      Yes                       No
- wipes / baby wipes              Yes                       No
- cotton wool                      Yes                       No
- nappies                      Yes                       No
- razors                      Yes                       No
- medicines                      Yes                       No
- tissues                      Yes                       No

2. If they answered yes to any of the above, ask them why they do it:

- Because they always do it
- They knew it was wrong but did it anyway
- Because they didn't know it was wrong to do it

Show them the Dirty Dozen leaflet (beside this questionnaire on the website). Now detective, ask the grown ups the following:

3. Have you ever had a blocked toilet in your home?

Yes  No

4. Have you ever had a blocked drain in your home?

Yes  No

5. Have you heard about NI Water's 'Bag It and Bin It' campaign before?

Yes   No

If yes, where did you hear about it?

---

---

6. After reading the leaflet, will you change your flushing habits?

Yes  No

Thank you 'Sewer Detective!' Write your name and address on this sheet and post it to:
