

NI Water invite you to come and meet the Procurement team

- Are you interested in working with NI Water?
 - Are you unsure of the tendering process and paperwork involved?
 - Are you interested in improving your tendering skills and exploring consortium bid opportunities?
 - Keen to tell us about your innovation?
- Come along to meet the RDI team.

**If so, book a slot at our 'meet the team' information day on
Thursday 27th October 2016 at NI Water's Training Centre, Antrim.**

Our procurement team will answer your questions and talk you through the tenders available. InterTradeIreland, the cross-border business development body, will be attending and will provide details on training and support opportunities for companies interested in tendering and forming consortia.

Book a 20 minute one to one meeting with a procurement professional. Meetings are allocated on a first come first served basis.

For more information visit www.niwater.com/tenders
