

# 'THE VALUE OF OUR WATER ENVIRONMENTS' VIDEO COMPETITION IS NOW OPEN

We are pleased to announce the first ever Northern Ireland Water video competition for secondary schools in NI. This year's competition theme is 'The Value of Our Water Environments'

## THE BRIEF

Create a video to support 'The Value of Our Water Environments' theme.

There are many ways to interpret the theme. Perhaps highlight the beauty of water, importance of local water environments to people and wildlife, impacts of plastic pollution, climate change - flooding/drought, chemical pollution, increased water demands from homes, industry, or farming.

Students can enter as individuals or in groups up to 5 people.

**PICK CATEGORY 1: PICK CATEGORY 2:**  
**LIVE ACTION VIDEO PHOTOBOK VIDEO**

## THE PRIZES

Winner in each category: Go Pro Hero 09 and Go Pro Gorilla Pod for school

Runners up in each category: Gorilla Pod Mobile Vlogging Kit for school

All winning students will also receive a smart phone video kit
