

PUBLIC INFORMATION EVENT INNOVATIVE NEW WASTEWATER TREATMENT PROPOSALS FOR STONEYFORD

NI Water is developing plans to construct a new highly sustainable wastewater treatment proposal for Stoneyford village in the form of an Integrated Constructed Wetland (ICW). All members of the community are invited to come along to an information session on **Tuesday 13 August at 7pm at St. John's Parish Church hall, Stoneyford** to view information on ICWs and the proposals that NI Water is developing for the village. Members of the project team will be in attendance to answer any queries or concerns that residents may have at this stage.

All welcome
