Delivering what matters

**#sell2niwater**

# InterTradeIreland in partnership with NI Water are delighted to announce that they will be delivering a Supplier Engagement Event on 21st November 2019 in the Titanic Belfast.

Building on the success of last year's event, this year's event is another exciting opportunity for new and existing contractors and suppliers across a diverse range of sectors to join with NI Water in helping to deliver what matters to their customers.

New this year; budget holders from across NI Water and NI Water Alpha are looking for Innovation focusing on Energy, Calm Networks/Smart Networks (including wastewater and leakage) and Data Analytics/AI. The ever popular Research, Development and Innovation team will also be on hand to discuss other innovation opportunities.

Operational contract managers and procurement staff will be on hand to discuss the wide range of tenders and pipeline of opportunities across a host of supplies and services and you will have the opportunity to introduce your company to some of NI Water's Strategic Contractors and to discuss potential sub-contracting opportunities.

Ervia supply chain staff will also be in attendance. Ervia is an organisation based in Ireland with procurement responsibility for

The event will have three zones:

- **Innovation**
- **Pipeline Opportunities & Strategic Contractors**
- **Learning**

3 utilities, Irish Water, Gas Networks Ireland and Aurora Telecoms. They will be available to discuss the Ervia tender opportunities coming up over the next 24 months.

The Learning zone will offer information sessions to help you understand "How to tender for NI Water's contracts", and how to "Deliver a contract" if you are successful. You will also have to opportunity to gain an understanding of collaborative bidding and establishing Consortia through the "Winning Collaborative Bids" session and Construction & Procurement Delivery (CPD) will be present to help with any eTendersNI queries.
