

We don't just pump water.

We pump millions of pounds into the local economy.

northern ireland
water

Delivering what matters

For every **£1** invested by NI Water, the knock-on effect in the local community is almost double

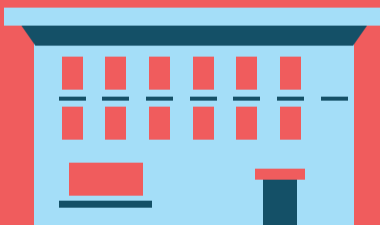

Investing **£620 million** in Northern Ireland's water and sewerage infrastructure through our capital works programme

Spending **£870 million** on goods, services and wages

Supporting more than **350** local businesses

Employing more than **1,300** staff

WE ARE CREATING A **£2.5 BILLION** RIPPLE EFFECT OVER PC15 (2015 - 2021)
