I now apply to Northern Ireland Water for a sewer connection to the location(s) detailed in section 3 and as indicated on the submitted location plan. I accept responsibility for a one-off infrastructure charge (if applicable), as well as charges payable for the connection(s) to which this application relates. Details of NI Water charges can be found on the current Scheme of Charges at www.niwater.com/servicesfordevelopers.asp.

I agree to pay the infrastructure charge at the same time as the sewer charge.

Before submitting your application please ensure that you have completed all relevant sections and the requirements below have been included.

Proposed Drainage Layout including the proposed point of connection(s) and longitudinal sections for Multi-Unit Developments. **Maps / layouts greater than A3 must be submitted in PDF format to waterline@niwater.com.**

All multi-unit development sewers, lateral drains and works communicating with a public sewer from the 23rd May 2016 will require an Article 161 Agreement before connection can be approved.

Site Location Plan 1:1250 / 1:2500 map (LPS ACE map will suffice) with the site boundary clearly indicated in red and relative to an existing feature. Any other land owned by the applicant should be shown with a blue line around its boundaries, and if a public right of way exists within or adjoining the site, it should be outlined in green.

Letter of approval from the landowner should access to third party lands be required (if applicable).

A copy of planning approval (if applicable).

Application Fee + VAT (VAT is applicable on this fee for all applications) (Non-refundable once connection has been processed).
