Application to Realign a Public Sewer

Article 247 - Water and Sewerage Services (Northern Ireland) Order 2006 (as amended, Water and Sewerage Services Act (Northern Ireland) 2016)

Failure to complete all mandatory sections may result in the delay / return of your application.

Please refer to our guidance notes before completing your application.

The design of the realigned section of the sewer must meet the standards as identified in Sewers for Adoption (NI) Current Edition.

Checklist

*** Documents for Submission with Application**

Two hard copies of all documents and plans are to be provided.

- Site Location Plan 1:1250 / 1:2500 map (LPS ACE map will suffice), with the site boundary clearly indicated in red and relative to an existing feature. Any other land owned by the applicant should be shown with a blue line around its boundaries, and if a public right of way exists within or adjoining the site, it should be outlined in green.
- Site Layout Plan @ 1:500, showing location of Proposed & Existing sewers and manholes
- Existing Long Sections Vertical Scale 1:100, Horizontal Scale 1:500 Invert levels to Ordnance Datum (Belfast) showing pipe size, material, depth and manholes of existing.
- Long Sections Vertical Scale 1:100, Horizontal Scale 1:500 Invert levels to Ordnance Datum (Belfast) showing pipe size, material, depth and manholes of the proposed realigned sewer.
- Programme Plan of Works.
- Method statement from your contractor for maintaining the flow during construction of the realigned sewer.
- Method Statement for Construction.

Please Note: You will be notified when the design and layout meets our standard and additional hard copies will be requested. These drawings will be used for circulation within NI Water.

By signing this application, you are not automatically granted approval and no works should start until approval has been granted.

I confirm to the best of my knowledge the above information to be complete and correct.
