

* completion is mandatory

Lead Pipe Replacement Application

Under the Water Supply (Water Quality) Regulations (NI) 2007 (SR 147) and amendments

Please note - this form can be used to apply for the replacement of an existing lead pipe for separately occupied units or properties situated on the same development, road or street and will place the same demand on the Northern Ireland Water Infrastructure.

Please complete all relevant sections of this form clearly and in **BLOCK CAPITALS**.

Failure to complete all mandatory sections may result in the delay / return of your application.

Please refer to our guidance notes before completing your application.

* 1. Applicant's Details

Note: The named applicant in this section will be contacted by NIW

Company Name

Contact Name

Address

Town

Daytime Tel

County

Mobile

Postcode

Email

Fax

* Standard Industrial Classification Code (SIC Code) (If Applicable)

* 2. Current Connection location

In this section, please list out all of the the individual properties which are to have their existing connections replaced. If multiple properties are presently served by a shared lead connection, please complete the application for a Separation of an Existing Supply (WC-A079-SoS)

* Property No.	* Road Name or Development Name	* Town/ City		* Postcode	* NIW Property Reference No. ◇	Year Property was built	Domestic or Non-domestic

◇ This can be obtained by contacting Waterline on 08457 440088

*** completion is mandatory**

* 3. Size of Connection Required

Please select the size of your supply pipe

External diameter: 25mm 32mm Other

A Standing Charge is levied on all metered non-domestic customers, the scale of the charge is related to the internal diameter of the customer's supply pipe as per the current Scheme of Charges – www.niwater.com/servicesfordevelopers.asp

Special Requirements

For applicants with special or medical needs, let us know your specific service and date requirement

* 4. Street Works Licence

Under the Street Works (NI) Order 1995 a Street Works Licence is required by any person or organisation who wishes to place or retain apparatus in a street.

- Northern Ireland Water is an approved Utility Contractor and CAN carry out the full service connection.
- Northern Ireland Water, under the prescribed charges, will make the connection to the watermain, fit an external stopcock, a meter guardbox (if appropriate) and lay the associated underground service pipe.

Where will the proposed connection be located?

Adopted Road / Street

Unadopted Road / Street

Private Road / Street

- Where the connection is located within an Adopted Road/Street the excavation and reinstatement MUST be completed by Northern Ireland Water, the cost of this service will be included in the quotation.
- Where the connection is located in an Unadopted or Private Road / Street the developer MAY carry out the excavation and reinstatement.

5. Planning Service Details/ Building Control Details (if applicable)

Planning Application Ref

Date of Approval

Please attach a copy of the Planning Approval

Building Control Ref

Date of Approval

Type of Site Green Field Brown Field

If Brown Field what was previous use

Have Planning Service placed any conditions on site due to contaminated ground Yes No

If 'Yes', please provide details of the restrictions

Please note that where planning permission is required, NIW will not process your application until we have been provided with a copy of the full planning permission.

* 6a. Declaration (please read very carefully)

I now apply to Northern Ireland Water for a supply of water to the location(s) detailed in section 2. I accept responsibility for a one-off infrastructure charge, as well as charges payable for the connection(s) to which this application relates. Details of NIW charges can be found on the current Scheme of Charges at www.niwater.com/servicesfordevelopers.asp.

New Properties: I agree to pay the water & sewerage Infrastructure Charge(s), if applicable, at the same time as the water connection charge.

*** completion is mandatory**

*** Existing Properties Only:** I agree to pay the water & sewerage Infrastructure Charge(s), if applicable, after the water connection has been made. I acknowledge that if the charge is not paid by the due day I will be liable for additional interest rates and debt recovery costs.

Please tick to indicate that you have read and understood each point;

I/We undertake to agree to abide by the terms and conditions of the Water Supply (Water Fittings) Regulations (NI) 2009.

I/We understand that any alterations made to this application must be declared to Northern Ireland Water.

I/We have filled in all of the relevant sections of this form. The details I/we have given in this application are accurate.

I/We have read and understood the supporting guidance notes.

I/We understand and accept that as the named applicant that I/we will be responsible for any measured or unmeasured bills generated in relation to these connections from the time of connection. It will be my/our responsibility to ensure that the correct customer billing information is provided to Northern Ireland Water in respect of each of the measured or unmeasured accounts which are to be created as a result of this application.

Before submitting your application please ensure that you have completed all relevant sections and the requirements below have been included.

Site Location Plan 1:1250 / 1:2500 Ordnance Survey based map with the preferred connection point and site boundary clearly indicated in red and relative to an existing feature. Any other land owned by the applicant should be shown with a blue line around its boundaries, and if a public right of way exists within or adjoining the site, it should be outlined in green.

a copy of the Planning Approval (*if applicable*). This must be provided with all applications relating to newly built or refurbished properties or any property where an alteration has been made.

Street Works Licence (*if applicable*)
